## FELLOW JOURNALISTS, MEDIA OUTLETS AND SUPPORTERS,

As the President of Ayn W Ghayn, I am honored to lead an organization that is dedicated to the prosperity and advancement of journalism in the Arab world. In a fast-changing world where AI and technology are transforming the media landscape, our mission to promote a free and independent press is more important than ever.

Ayn W Ghayn was created to address the unique challenges and opportunities facing journalism in the Arab world. We recognize the importance of upholding journalistic values such as accuracy, fairness, and accountability, while also providing resources, training, and advocacy to help journalists succeed in a constantly evolving industry. Our vision is a thriving, diverse, and independent media landscape in the Arab world, where journalists are able to report on issues of importance without fear of censorship or retribution. We believe that a free and independent press is essential to democracy, and are committed to upholding the rights of journalists to report on issues without fear of censorship, harassment, or violence.

In a world where AI and technology are transforming the media landscape, we believe that it is more important than ever to promote the values of traditional journalism. We recognize the potential of AI to assist journalists in their work, but also recognize the importance of human judgement, ethics, and values in reporting the news.

At Ayn W Ghayn, we are committed to staying at the forefront of the latest developments in journalism, including AI and other emerging technologies. We believe that by combining the strengths of technology with the values of traditional journalism, we can create a more informed, engaged, and connected Arab world.

I am excited to lead Ayn W Ghayn in its mission to support and promote journalism in the Arab world, and look forward to working with journalists, media outlets, and other stakeholders to build a thriving and independent media landscape in the region.

Sincerely,

Ghina Amyouni
